The Department of Family & Community Health Systems at the University of Texas Health Science Center at San Antonio (UTHSCSA) seeks one nurse educator and scholar with a strong clinical nursing background to join our dynamic faculty. Appointment may be full-time or part-time.

The successful candidate will:

- Have a minimum of a master’s degree in nursing with a focus on pediatric nursing; doctorate preferred.
- Be eligible for a tenure track or clinical appointment as Instructor or Assistant Professor, Associate Professor or Professor.
- Teaching experience in a baccalaureate and/or graduate nursing program is preferred.

UTHSCSA is composed of five schools: Medical, Dental, School of Health Profession, Basic Sciences and Nursing. The School of Nursing has BSN, MSN, and PhD programs, and includes an alternate entry RN to MSN option. In addition to health care delivery sites available for research and practice, the School houses Centers for Health Promotion for Women and Children.
