School of Nursing

Department of Family and Community Health Systems
Family Nurse Practitioner, Track Coordinator

THE SEARCH:

The University of Texas Health Science Center at San Antonio (UTHSCSA) School of Nursing (SON), one of five schools in a thriving South Texas Medical Center, is a vibrant, growing School, dedicated to serving the South Texas community and beyond. We are committed to excellence in education, research and practice. Our academic centers of excellence provide extensive opportunities for inter-professional collaboration in teaching, research, and practice. Prominent among these are the Barshop Center for Aging, Cancer Therapy and Research Center, Center for Translational Research, Center for Research to Advance Community Health (ReACH), Academic Center for Evidence-Based Practice and Center for Community-Based Health Promotion in Women and Children. San Antonio is the major health care center for the South Texas region. Hospital and healthcare systems provide rich opportunities for collaboration, including the Baptist, Christus Santa Rosa, Methodist, Veteran’s Administration, and the University Health systems. The city is also the location of several major military hospitals and health centers, serving active duty, reservists, veterans, and community populations.

The SON has over 100 faculty, 11,000 professional graduates, and offers BSN, MSN, DNP, and PhD programs of study. Faculty practice is a strong component of the School of Nursing. Our faculty delivers primary health care to students, employees, and citizens of San Antonio through the UTHSCSA Student and Employee Health Centers, community health and hospital systems, and public schools. Our faculty provides leadership at the local, national, and international levels to influence health care policy and improve clinical practice and health care quality.

We invite doctoral prepared individuals with preparation as an advanced practice nurse to apply for the track coordinator of the family nurse practitioner program. Salary and appointment to a tenured, tenure-track, or clinical track position at a junior or senior rank will be commensurate with qualifications and experience. The successful applicant will receive an appointment in the Department of Family and Community Health Systems (FCHS). The diverse faculty and staff in the department specialize in maternal/newborn, pediatrics, family and community health, and psychiatric/mental health nursing and teach in the undergraduate, MSN, DNP, and PhD programs.

RESPONSIBILITIES:

Responsibilities of this position include but are not limited to:

1. Teaching didactic and clinical courses in the FNP track
2. Mentoring and advising FNP students
3. Serving as the content expert for the FNP track
4. Leading a team of FNP faculty.
5. Assuring continued adherence to multiple nationally recognized accrediting standards
6. Program planning and continued evaluation for the FNP track.
7. Engage in scholarship, clinical practice, and professional service.
QUALIFICATIONS:

The successful candidate will have:

1. A master’s degree in nursing with a doctorate in a nursing or a related field.
2. Current Texas RN Licensure with national APRN certification, or eligibility for same. Must show proof of above prior to official appointment date.
3. Nationally credentialed as a FNP with at least five years practice in the advanced practice role.
4. Experience teaching in a graduate level nurse practitioner program.
5. Evidence of leadership roles as coordinator, administrator, director, or project manager.

Preference will be given to applicants with the following additional qualifications:

1. Evidence of a program of scholarship in education, clinical research, or practice.
2. Evidence of an emerging national recognition in research, practice, education, or service.

TO APPLY:

Applications and nominations/recommendations will be reviewed beginning immediately, and will be accepted until the position is filled. Applications should include the following:

1. Letter outlining interest and experiences that address qualifications.
2. Current curriculum vitae
3. Names and contact information for three references; one of these must be a recent supervisor (references will not be contacted without the candidate’s permission).
4. All application materials and nominations/recommendations will be treated in a confidential manner and should be addressed to:
