RN Refresher Course Application Process

Step #1: Review the website
- Review the information about the course provided on this website, especially the FAQs

Step #2: Request an application
- E-mail the Course Coordinator for an application
- Please include the city and state where you live when requesting an application

Step #3: Complete application
- The Course Coordinator will send you a link to the online application
- Complete the online application
- Send your resume to the Course Coordinator via email

Step #4: Interview
- The Course Coordinator will review your online application and resume and e-mail you to schedule a telephone interview (applies to Option #1 Full Course applicants only)
- You may be required to complete an interview with the clinical facility as well; this may be an in-person or telephone interview

Step #5: Acceptance
- The Course Coordinator will notify you via email of acceptance into the course

Step #6: Course Payment
- The Course Coordinator will send each student accepted into the program a link for online payment for the course
- Course payment deadlines are established by the Course Coordinator

Step #7: Professional Behaviors Agreement
- The Course Coordinator will send each student the link to online Professional Behaviors Agreement
