

Concurrent Session 6-B

Cervical Cancer Health Disparities Among Hispanic Women in South Texas

Bertha “Penny” Flores, PhD, RN, WHNP-BC, is an Assistant Professor at the University of Texas Health Science Center at San Antonio School of Nursing. Dr. Flores’ professional achievements include the John A. Hartford Foundation Building Academic Geriatric Nursing Capacity (09-11) Scholar and the University of North Texas Health Disparities STAR Fellowship (13-14), and received the STAR Fellowship Pilot Award (2015). Dr. Flores received her BSN and MSN from the University of Texas Health Science Center at Houston and her PhD from The University of Texas at Austin with a focus on women’s health and geriatric studies. She was awarded the UT Austin School of Nursing Outstanding Graduate Award (2012). Born in Coahuila, Mexico, Dr. Flores’ research interests include health literacy, health disparities, cancer prevention, culture, and language with a focus on older women of Mexican ancestry.
