

Concurrent Session 6-A

Maternity Care Home Model Intervention to Address Social Determinants of Health Among Medicaid-Enrolled Clients

Dr. Yondell Masten is a tenured full professor, Associate Dean for Outcomes Management and Evaluation, the Hall Endowed Chair for Nursing Excellence in Women's Health, and a board certified women's health nurse practitioner and clinical nurse specialist at Texas Tech University Health Sciences Center School of Nursing in Lubbock, Texas. Dr. Masten is the PI/PD for the Strong Start for Women and Infants CMS grant. The grant focus is prevention and/or reduction of preterm labor and birth in at risk clients through the provision of enhanced prenatal care. Dr. Masten completed a BS in Mathematics and BSN at West Texas State University, a MS in Interdisciplinary Studies at Texas Tech University, a MSN in Maternal-Infant Health at the University of Texas at Austin, a post-MSN Women's Health Nurse Practitioner Certificate at the University of Texas Medical Branch, and a PhD in Engineering at Texas Tech University.
