1st Edition

Essential Competencies for Evidence-Based Practice in Nursing

Submit this information to order and/or register for future updates

About the booklet:
"Essential Competencies for Evidence-Based Practice in Nursing" will guide nursing education program revision. Development of the Essential Competencies was academically rigorous and has the added credibility of consensus from a national panel of EBP experts. Included in this publication are:

a. Purpose of the Essential Competencies
b. Competencies for undergraduate nursing education
c. Competencies for masters nursing education
d. Competencies for doctoral nursing education
e. Report of the consensus development project
f. Description of the Academic Center for Evidence-Based Practice (ACE)
g. ACE Star Model of Knowledge Transformation

Note: Please complete all fields below. The information registers you in our database and allows us to notify you of updates to the Competencies. Please return your completed form along with a check or money order for $15.00 ($11.00 + $4.00 shipping) made out to UTHSCSA-ACE to the following address:
ACE (Academic Center for Evidence-Based Practice)
The University of Texas Health Science Center at San Antonio
7703 Floyd Curl Drive, MSC 7949
San Antonio, TX 78229-3900

Please e-mail acestar@uthscsa.edu or call 210-567-1480 if you have any questions or to inquire about bulk rates.

Please print legibly.

1. Name: ____________________________

2. Credentials: ____________________________

3. Professional Title: ____________________________

4. Institution or Affiliation: ____________________________

5. Preferred Mailing Address: □Work □Home

6. Preferred E-mail address: This is very important as we will notify you of updates through this e-mail address:

7. Telephone Numbers: (Work) ____________________________ (Other)
