

Summer Undergraduate Nursing Research Immersion Experience (SUNRISE)

SUNRISE provides opportunities for eligible undergraduate nursing students in their 5th semester to participate in an 8-week summer research experience mentored by faculty members from the School of Nursing. Enrollment into the SUNRISE program will be done through a competitive application and interview of first year undergraduate nursing students enrolled full-time in the traditional track of the University of Texas Health Science Center San Antonio BSN Program. A two-summer commitment will be required of students to take full advantage of the SUNRISE program. Students accepted into the SUNRISE program will be provided a stipend.

Please type and email this application to Somani@livemail.uthscsa.edu by March 10, 2017 11:59PM. A printed professional reference letter must be submitted by a member of the School of Nursing faculty in a sealed envelope to Rose Marie at the Student Success Center in the School of Nursing by March 10, 2017 at 5PM. Your application will not be considered complete if it is missing any of the following components:
